

2017 SNAPSHOT got green

Hi there!

Thanks for picking up our Snapshot report for 2017!
We hope you enjoy learning about all the great things we are doing.
If you want to get involved with our work please let us know!

From Sugary Drinks to Food Security

Through grassroots pressure and powerful coalition building, Got Green's Food Team was successful in passing the Sugary Beverage Tax, making Seattle the first city to have tax revenue be invested in closing the food security gap.

Food Access Team - 2

Building Green Pathways

Got Green's Young Leaders have spent this year making sure the Green Pathways ordinance is implemented in the City of Seattle and the private sector, which will dramatically increase the number green living wage, entry level positions for young people of color.

Young Leaders In The Green Movement - 3

Climate Resilience \neq Displacement

Got Green's Climate Justice has launched a campaign to address the roots of displacement and the right to return -- starting with protecting the housing of community elders on Beacon Hill. We will only weather the crisis of the economy and climate with stable housing and rooted communities.

Climate Justice Committee - 4

We're Growing

Got Green is thrilled to expand our staff capacity to more effectively communicate about our work, develop grassroots leaders, and win victories that benefit our communities and the environment.

Our Mission

Got Green organizes for environmental, racial, and economic justice as a South Seattle-based grassroots organization led by people of color and low income people. We cultivate multi-generational community leaders to be central voices in the Green Movement in order to ensure that the benefits of the green economy (green jobs, healthy food, energy efficient & healthy homes, public transit) reach low income communities and communities of color.

Got Green's Mission - 8
